How we use and share your information

(a) Credit reference and Fraud prevention agencies

We may obtain information about you from credit reference agencies and Group records to check your credit status and identity. Application decisions may be taken based on solely automated checks of information from credit reference agencies and internal NatWest records. You have rights in relation to automated decision making. If you want to know more please see our full privacy notice.

The agencies will record our enquiries which may be seen by other companies who make their own credit enquiries. This may affect your ability to obtain credit elsewhere in the near future. We may use credit scoring.

While you have a relationship with us, we will continue to share information with credit reference agencies about how you manage your account including your account balance, the regularity of payments being made, credit limits and any arrears or default in making payments. This information will be made available to other organisations.

Your application will be assessed using credit reference agency records relating to anyone with whom you have a joint account or similar financial association. If this is a joint application and such a link does not already exist then one may be created now. These links will remain until you file a 'notice of disassociation' at the credit reference agencies.

However, for this application, you can choose to be treated as financially independent of any person, (except for another party to this application). If you do, by signing this application you declare that you believe your associate's finances will not affect our decision and agree that we may check your declaration. We may decline this application if we find that your declaration is inaccurate. If you want to be treated as financially independent for this application, please place a cross in this box.

If false or inaccurate information is provided and fraud is identified or suspected, details may be passed to fraud prevention agencies. We may also obtain information about you from fraud prevention agencies.

If we, or a fraud prevention agency, determine that you pose a fraud or money laundering risk, we may refuse to provide you with services, financing or employment.

When credit reference and fraud prevention agencies process your information, they do so on the basis that they have a legitimate interest in preventing fraud and money laundering in order to protect their business and to comply with laws that apply to them.

Further information about credit reference agencies, how they use personal information, and financial connections and how they may be ended, can be obtained from the credit reference agencies. The main agencies we use are Experian (www.experian.co.uk/crain), Equifax (www.equifax.co.uk/crain) and TransUnion (www.transunion.co.uk). We may use other agencies from time to time. For more information about the agencies we use, see Section 11 of our main privacy notice (Credit reference and fraud prevention agencies).

We and other NatWest Group companies may use your information in order to improve the relevance of our products and marketing.
